

# ALUMNI FELLOWS PROGRAM

## Recognizing Lifetime Professional Leadership and Accomplishment

### NOMINATION FORM

#### *Purpose*

1. To stimulate greater activity and identity between eminent alumni, the University and greater Milwaukee community.
2. To add a dimension to the academic curriculum not otherwise available in the traditional college classroom through close contact among prominent alumni, undergraduate students, graduate students, faculty, and University administration.

#### *The Program*

The Alumni Fellow title is a permanent, lifelong designation conferred by the UWM Foundation, Inc. The Alumni Fellows Program recognizes prominent and outstanding individuals who demonstrate leadership and accomplishment in their fields. Further, the program facilitates the sharing of insight, expertise and knowledge between the recipient, students, faculty and administrators through informal contacts and presentations on campus at the various colleges, schools or units. An Alumni Fellow need not be a graduate of the specific college, school or unit that wishes to sponsor him or her, but should be an individual whose professional accomplishments have broad appeal to the faculty and students, and if possible, to the University community as a whole. An Alumni Fellow will be invited for a campus visit that is typically no more than two days. An Alumni Fellow will be asked to participate in classes, informal discussions, public lectures and possibly meetings or receptions with the greater community. The Alumni Fellows Program has the potential to inspire students, and stimulate thought, debate and action.

Please complete the information on the candidate.
